About us |

Qasr Al Zahra Decor Cont. LLC is a leading fit-out and contracting company established in 2015, led by a team of professional & experienced engineers. We have been offering a complete portfolio of best interior and contractor services and have successfully completed some of the most demanding and challenging projects for different sectors in UAE. Our services cover the entire spectrum needed for a smart interior, right from design conceptualization to total Fit-out & Turnkey projects.

Over these years we have maintained and ensured maximum transparency and quality criteria coupled with customer satisfaction and this disciplined approach assisted us in placing ourselves as one of the leading companies in UAE.

We are dedicated to deliver world-class interior solutions to our customers. We do our best to provide quality products and services at reasonable price range. We achieve this through adhering to the highest standards of safety, quality and environmentally centric practices, while completing our projects on time and within budget.

Mission

To exceed the expectations of our clients through a team of highly qualified engineers, trained employees and professional workers; enabling us to handle each project with the utmost professionalism and integrity.

Vision

To be one of the most innovative and most sought-after fit-out company in UAE, committed to deliver unique and individual designs to our clients, all with the highest standards of quality.

Values

Offer any construction, engineering, and maintenance services the client requires to deliver a turnkey project.

Committed to quality assurance and health and safety controls at the highest international standard.

Execute projects on time and within budget while maintaining quality across the board.

Interior & Exterior Decor Works

We offer interior & exterior décor works, specializing in creating unique interiors for commercial, retail, residences, and office spaces by providing design and build solutions. Our professional team can transform conceptual ideas into reality.

We know that perfection lies in every detail, which is why our team of engineers and designers are responsible, not only with creating a sketch of what you want, but also with advising you in the selection of the materials and patterns that best fit your needs and taste.

Our designers can create 3D visualizations with accurate detail replica of design scheme. The 3D images enable the client to view a virtual layout and to make decisions at an initial stage of design.

Unlike many other interior design companies in UAE, we offer you real services at affordable prices!

Partition & Ceiling Works

We are specialized in Translucent Ceiling, Ceiling Light Panels, False Ceiling, Wooden Ceiling, Ornamental Ceiling, Metal Ceiling, etc.

We are also experts in creating and installing partition that is a perfect way to create separation in rooms.

We offer both straight and curved partition solutions like Gypsum Partition, Glass Partition, Wood Partition, which may be permanent or temporary.

Joinery, Carpentry & Upholstery

we supply and install doors, wall paneling, skirting, kitchen cabinets, timber ceiling, etc. Fire-retardant materials and coatings are used to guarantee client safety while complimenting aesthetic pleasure. We constantly enhance our craftsmen's skills and ensure that this translates into absolute quality control at all times.

We offer a full-service portfolio of tailor-made solutions that add style and performance to your project furnishings, fabric panelling, sofas and bench seating. The finest materials are used with high density foam on plexi or solid wood frames.
